

About Us

LiveArts® Studio is a 501(c)(3) non-profit community-based art education and entrepreneurship organization. We specialize in providing dynamic art instruction infused with an academic, wellness and entrepreneurial focus.

Our Mission

To offer artmaking opportunities that contribute to the well-being of children, families, and communities through self-expression.

Our Philosophy...

includes thirteen principles that define our programs' approach. It emphasizes the values and characteristics fundamental to our instructional style. They are:

Purpose – to provide structured activities and sequentially planned projects.

Place – present experiences in an environment that reflects the qualities and conditions that promote success and well-being.

Planned Programming – to implement high quality instruction.

Personnel – to learn from dynamic, practicing and competent artists.

Professionalism – to maintain high standards and set high achievable goals.

Practice – perfecting and polishing one's skills through continued exploration.

Production – developing one's process of creating works.

Profitability – approaching art making, design and art experiences with a vision toward value.

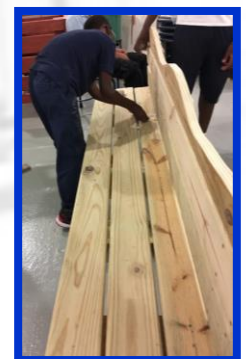

Process – forming habits that inspire and lead toward one's desired outcome.

Passion – allowing deeply rooted interests to serve as the birthplace for fueling creative inquiry.

Preservation – to protect creative interests, promote artistic excellence, and emphasize historical influences with respect and ethical consideration.

Partnerships – collaborating and creating innovative ways of bringing forth interesting ideas.

Pride – displaying delightful confidence in one's creativity.

Our Vision

To foster skills that contribute to one's intellectual cultivation and stimulation through art education; to use art and design as sources of economic empowerment; to integrate the arts as a tool for improving lives and building relationships with those near and far through expressive engagement.

Imagine It!
